**Effective date of tariff:**

30 June 2011\*

\* These special conditions apply to all new contracts for 0060 everywhere Service acquired for personal or residential use (that is, not for commercial use).

**Revision history:**

1<sup>st</sup> publication on 30 June 2011

<sup>Note #</sup>: The Special Terms and Conditions of 0060 everywhere published in F050-0012 on 11 December 2008 will continue to apply to all contracts of the 0060 everywhere Service entered into before 30 June 2011.

**SPECIAL CONDITIONS OF 0060 EVERYWHERE SERVICE (“0060 everywhere Service”)  
FOR CONSUMER CUSTOMERS**

**1. Connected device requirement**

For your use of the 0060 everywhere Service:

- a. your connected device (such as, your computer) must meet certain minimum system requirements;
- b. you agree to install certain software we provide on your connected device; and
- c. you agree to get the owner’s permission for you to carry out the software installation if you do not own the connected device.

We may not be able to provide the 0060 everywhere Service to you if any of the requirements are not met.

**2. Connected device**

You shall be responsible for protecting the device (including its software) that you connect to the 0060 everywhere Service.

**3. Content back up**

We do not provide storage services for the Content that you or any other users sent or provided through the 0060 everywhere Service. You or any other users shall be responsible for backing up any Content that is sent through the 0060 everywhere Service.

**4. No editorial control over Content**

Subject to clause 15.2 of the General Conditions of Telecommunications Service (Consumer Customers), we do not exercise any editorial control over the Content that is sent, provided or stored by you or any other users through the 0060 everywhere Service.

**5. Use of Service overseas**

You may use the 0060 everywhere Service outside of Hong Kong in accordance with the applicable local law.
